

Fairy (disguised as Bo Peep) & Silly Billy

Audition Script

Bo Good morning.

Billy Good morning.

Bo Please can you tell me if this is where Mother Goose lives?

Billy I'm sorry I'm a stranger here.

Bo Can you tell me please?

Billy I might. What do you want her for anyway?

Bo I have come about a situation.

Billy Is it an awkward situation?

Bo I don't know until I get it, do I?

Billy That's awkward.

Bo Do you know please?

Billy Perhaps I do but I shan't tell you. Careless talk you know.

Bo Please will you tell me? Does Mother Goose live here?

Billy No

Bo Then where does she live?

Billy Over there (*points to house*).

Bo How splendid. I have come to help her with her geese. I'm awfully good with geese.

Billy You wouldn't be much use with our geese because we haven't any. Mother sold the last one this morning.

Bo Well I suppose I better try and get a job somewhere else if you haven't got any geese to look after. (*Goes to exit*)

Billy Please don't go. What's your name?

Bo I'm Little Bo Peep

Billy But I thought you looked after sheep

Bo But I've lost my sheep and don't know where to find them

Billy Well if you leave them alone, they'll come home wagging their tails behind them

Bo Oh do you think so?

Billy You could look after me as I'm a sort of goose.

Bo *(Laughing)* You said it

Billy And I should like to be looked after by you.

Bo Would you really? Alright then, I'll stay.
